1987-2024

David J. Wensinger

David Jude Wensinger began playing golf at the age of 8 and by his fifteenth birthday had finished third in the Ohio State Junior Tournament. In 1978 he won the Ohio Insurance Youth Classic, winning a trip to Chicago to play with Fuzzy Zoeller, finishing 30th in a field of 200.

During his junior and senior high school years, David led his team to two state runner-up finishes. Winners of the Marion Country Club Championship in 1979 and 1981, David also captured the title in the Heart of Ohio Championship in 1980, finishing as runner-up in a playoff in 1981.

David was a simple and uncomplicated young man. A success with people that more than rivaled his success with golf, his greatest joy was his family and friends. He had no quarrel with life and he left with the same dignity as he lived...thinking of and helping others.

Dr. Jerome A. Wensinger, following his son's demise, aspired to begin a junior golf program to help give junior golfers opportunities thru the game of golf and to acquire scholarships toward college education; hence the beginning of HOJGA in 1987. The Family wishes to continue the commemoration of David through the David J. Wensinger Player of the Year Scholarship. HOJGA is very grateful for the honor to memorialize David through its scholarship program for youth.

Dress Code

Junior members may dress in casual sportswear; however, no frayed or holey jeans or tops are allowed. Sleeved shirts only must be worn, and shirts must remain on during events. Soft spike golf shoes or tennis shoes only.

CODE OF CONDUCT

Perhaps the most important and lasting lesson taught by participation in Heart of Ohio Junior Golf Association events is the development of a sense of sportsmanship, an appreciation of fair and honest competition, and an attitude of courtesy and respect for fellow players, tournament officials, club members and spectators. In this spirit, the Heart of Ohio Junior Golf Association expects participants in its events to observe all rules set forth in this Code of Conduct. **Failure to observe any of these rules** could result in disqualification from the present or future events and/or any other sanctions deemed appropriate by the Heart of Ohio Junior Golf Association.

1. Arrive at tournament location and check in at Registration 1/2 hour before tee time and be near the tee ten minutes before your tee time.
2. Conduct yourselves at all times like a true sportsman, and do not engage in un-sportsman like conduct. Acts of un-sportsman like conduct include, but are not limited to the following examples:
Throwing clubs; Swearing; Damaging greens; Failing to rake traps; Discarding refuse in any way other than in proper containers.
3. You must play quickly enough to keep up with the group ahead of you, and you should move along as rapidly as possible. You will be penalized for undue delay (USGA Rule No. 37-7).
4. Each player must play his own game with his own skills and knowledge, and may not give or receive advice. **PARENTS AND FRIENDS PLEASE NOTE:** Conversation with a player will be deemed to be the giving of advice to that player, and could result in the disqualification of that player and/or the imposition of other penalties. In order to avoid infractions of this rule and to aid in promoting a climate of fair competition in all HOJGA events, it is strongly recommended that you stay at least one-half hole in front of or behind the player whom you are following. **If parents/guests do not abide by this rule, HOJGA will be forced to allow junior golfers only on tournament course.**
5. Show the patience and fortitude to complete even the worst round and report your score and do not pick up or fail to turn in your scorecard. Unauthorized "pick ups" will automatically suspend you from the next scheduled event. Your Committee may authorize a "pick up" at any time for appropriate reasons.
6. Make certain that only one player is on the tee at one time.
7. In order to preserve the tees, do not put your golf bag on them or take unnecessary practice swings on them. Similarly, protect the greens by making sure that when you drop golf bags or flag sticks, both are off the green. Be sure to repair your ball marks on the green. Replace your divots on the fairway.
8. Develop the habit of confidence in your swing and eliminate the necessity of repeated practice swings. Remember that repeated practice swings become a bad habit!
9. Carry or pull your own clubs. No caddies or electric carts are permitted in any HOJGA event.
10. Smoking and alcoholic beverages will be prohibited at all times during HOJGA events.
11. Be considerate of your fellow competitors and play the game according to the rules.
12. Arrive at tournament location and check in at Registration 1/2 hour before tee time and be near the tee ten minutes before your tee time.

CLUBS FOR KIDS PROGRAM

This effort is aimed at making used (but still serviceable) clubs available to children who have a desire to learn and to play golf, but cannot afford the equipment. Clubs for Kids is designed to put a club in the hands of the children. As you may know, children who walk away from an instruction clinic with a golf club of their own are much more likely to use it for playing either in the backyard or on the golf range for playing and to solidify their interest in the game.

The program's context is to encourage golfers to donate their used clubs (& bags) and receive a tax credit entirely acceptable to the IRS, for the appraised value. Not only this, but they will be helping a needy and worthy child obtain equipment. The donated clubs are shortened, registered and distributed by the Heart of Ohio Junior Golf Association Program.

The clubs will be given to the child at the beginning of each season and registered in their name at a cost of \$2.00. At the Awards Banquet the clubs are to be returned. The \$2.00 is returned to the child upon return of the clubs in good condition. If the child cannot afford this fee, it may be waived at the discretion of the Association.

The main objective, again, is to get a club in the hands of the youth of the Heart of Ohio area who are interested in learning to play golf. .. a game for life.

Clubs may be dropped at the following golf shops:

Determined Brilliance (Miracle) Driving Range; 1984 Smeltzer Rd.; Marion, Ohio
Marion Country Club; 2415 Crissinger Road; Marion, Ohio
Kings Mill Golf Course; 2500 Berringer Road; Waldo, Ohio
Three Sticks G. C.; 3594 Gooding Road; Marion, Ohio

Clubs available through Clubs for Kids Program-Cost: H.O.J.G.A. \$5.00 Membership Fee, plus \$2.00 Club Fee.

"On fundamental, learning has been described as taking four steps: Step one - you don't know that you don't know; Step two - you know you don't know; Step three - you know you know, and finally; - Step four - you forget you know and just do it.

We look forward to teaching these learning and golf fundamentals to our juniors at camp."
